

Chair Prozanski and members of the committee

I am writing today in opposition of SB 554. This bill is directly targeted at CHL holders. Getting a CHL means you have taken a class, paid your fees and have a spotless background. Having a CHL is something not taken lightly. As a female I never want to be stranded on the road or walking thru a dark parking lot without a way to protect myself, but with this bill as written I would have to leave my firearm at home or in my vehicle, which is obviously very unsafe.

Tonight I took the time to start reading this submitted testimony. I got thru the top 100, 91 were opposed while only 4 were for this legislation so please listen to the constituents all over Oregon and oppose this legislation.

Thank you for you time
