

: "Chair Prozanski, Vice-chair Thatcher"

My name is Jessica Kelley. I come today in opposition to Senate Bill 554. I am a life long Oregonian, a wife, mother and help run our family business. The ability to protect myself, my family and my business is important to me. Any bill that is passed against concealed handgun licensees, is not helping to stop gun crime, or any other form of violence. There are already laws that prohibit where a concealed handgun licensees can carry. By adding more " no gun zones" you are making those places a target. Those that commit gun violence and carry firearms illegally do not care about the law. By passing this bill you literally are tying the hands of innocent law abiding citizens and infringing on their second amendment rights. This bill should not move out of this committee. Thank you for your time.
