

Chair Prozanski, Vice Chair Thatcher: My name is Robert Powell, a homeowner in Beaverton. I come before you in opposition to SB 554. By disarming law-abiding citizens on school property and other public locations, the madmen with guns will know it's open season on our kids. No gun-control law will stop a mental patient or criminal from getting a gun. There are already multiple laws against felons owning weapons, and they still own them. Thank you...
