

Chair Prozanski, Vice-chair Thatcher;

My name is Dennis Worden, 8yrs U.S. Army, 18yrs Search and Rescue.

I am in opposition to Senate Bill 554. It creates a hodge podge of ordinances and regulations that would be virtually impossible know or understand. By driving into any number of different municipalities with varying regulations a person may be forced to lock a firearm in a vehicle leading to potential theft by those who do not honor the law.

Those that do honor the law are not the ones who should be punished, this bill will have no affect on those who habitually break and ignore laws. It will leave citizens without the ability to defend themselves or others.

Please Kill the Bill before someone makes a simple mistake and becomes a felon, or gets killed because they obeyed the law. Thank you for your consideration.
