

I come before you in opposition to Senate Bill 554.

It is in clear conflict with the 2nd Amendment of our United States' Constitution. Unless there is corruption within our legislature, that, in itself, would be enough to Kill this Bill. As our elected public servants, YOU ALL have the DUTY, which you swore to, to PROTECT and DEFEND our CONSTITUTION. PERIOD. Wouldn't it be interesting to impose the same punishment: (5 years in prison, and over \$100,000 fine to politicians who attempt to dismantle our Constitutional Rights, piece by piece.....

If any of you have armed security, I would like to respectfully call out your hypocrisy.

Oregonians, regardless of Party alignment, value their 2nd Amendment Rights....and, I believe, still hope for honorable politicians. I look forward to the next election cycle.

Please do right by your constituents and KILL BILL 554.

Thank you.
