Chair Prozanski, Vice-chair Thatcher,

My name is Todd Foster. I have been a resident of Oregon for 25 years. I am a husband, father, business owner, voter, tax payer, and a law abiding CHL holder. I am writing in strong opposition to Senate Bill 554. This bill would effectively render my constitutionally protected second amendment rights useless as there would be cities, counties, schools, and other locations in Oregon where it would no longer be legal to carry a firearm for personal protection. It would be impossible to know all of the locations where ordinances or policies prohibit the possession of a firearm. This unconstitutional bill should certainly not move forward out of this committee. We will be watching closely to see what happens. We expect our rights to be honored and upheld and it is the duty of our elected representatives to do so.

Regards,

Todd Foster
