

Chair Prozanski, Vice-chair Thatcher"

My name is Michael Warren, and I come before you in opposition to Senate Bill 554. I do not feel there is justification for such bill, and the thought that it will protect people will in fact (As in some cases) leave people with the inability to not only protect themselves, but other as well. I believe that this Bill would only further divide jurisdictions. I encourage you to Kill the Bill.
Thank you for your time ~ Michael
