

Having a Concealed Carry License from Oregon is obviously a lifesaver for the citizens of Oregon. "It takes a good guy with a gun to stop a bad guy with a gun!" The process to get a concealed carry license affirms the applicant is / has been identified by the proper authorities to be an upstanding / honorable citizen of the state. Even the NRA has shown the many times a licensed carry person has saved their or another persons life because they had a gun to provide harm to an innocent person(s). you may have seen this before, a lot of truth here, If guns are outlawed, only outlaws are going to have guns. They illegally buy and/or steal guns to use on people who are not allowed to have guns. Having a concealed firearm doesn't allow the bad guys to know who might be there to stop them from harming someone.

Thank you
