Chair Beyer and Members of the Committee,

Good afternoon Chair Beyer, Vice Chair Findley, and members of the committee. My name is Hunter Baldrige and I live in Portland, OR. I support Senate Bills 14, 581, and 582-1 because they will right the wrong of decades of deceitful labeling. With this legislation laws will prohibit labels that suggest recyclability when in fact that is false. Additionally, the bills will create regulatory procedures along with DEQ which will research and classify companies who wish to sell plastic objects in the state of Oregon. By voting yes on these bills you will help end deceitful marketing tactics as well as forward a cleaner and greener future for Oregonians.

Thank you for your time and support for Bills 14, 581 and 582-1
