

I am opposed to HB 2372 ; HB 2484: 2677; HB 2025: HB 2238: and HB 2427

Please represent me in the manner that I have indicated. We only have 2 single homes for rent in Yamhill County. But we already suffer from us not being able to disallow pets in our rentals due to "compassion pets" I support that this compassion pet be changed to using worry stones or stuffed animals as was done in years past. Pets with these renters are most of the time a DISASTER to Landlords! Thank you Kathy and Kent Forster
