**Re: I SUPPORT [HB 3177]...Give Governor Brown the much needed and overdue "boot" with your vote!**

[HB 3177] sends Governor Brown a resounding hint, begin looking for another job.

If any measure should end up in Oregon's Constitution, [HB 3177] deserves a closer look.

When you get a chance to vote Governor Brown out of office, don't hesitate, do it.

*Respectfully submitted,*
