HCR 20 Honoring Trooper Dale Benjamin Courtney
For House Rules Committee hearing on February 4, 2021

Chairwoman Warner and Committee Members:

My name is Erin Edelen Kutter. I have been given the honor of acting as the family liaison for the Courtney family on behalf of the Oregon Fallen Officer Highway Memorial Sign program through the Oregon Law Enforcement Memorial Trust Fund. It is with funds raised through the Fallen Public Safety Officer License plates that the Oregon Law Enforcement Memorial Trust Fund is proud and able to purchase the sign honoring Oregon State Trooper, Dale Benjamin Courtney, to eliminate any expense to the state, the law enforcement agency, or the family.

The Oregon Fallen Officer Memorial Highway Sign program has created a meaningful way for fallen officers to be remembered as well as continue to show support for the family that was left behind. I have had the great pleasure of getting to know the Courtney family and it is my honor to represent them as we seek to have their loved one remembered through the establishment of a highway memorial sign.

These highway memorial signs help to expand the means in which we are able to remember our fallen Oregon officers and to continue their stories. With their names displayed on these signs, it is the hope that it will spark curiosity of people passing by to take the time to research them and learn more about the amazing individuals that they were. Through the remembrance of our past and the service and sacrifices made by others, we are able to learn and persevere to better our future generations of law enforcement officers.

When an officer is killed in the line of duty, it is not felt by just their family and agency, or the law enforcement community, it is a ripple effect that is felt by all in the communities and even the state in which that officer served. It is in these times of grief and pain that the law enforcement community promises to never forget and it is a promise that is refused to be forgotten. It was the officer's calling to serve; it is an honor for all to remember.

I urge a yes vote on HCR 20 to help continue the story of Fallen Trooper Dale Benjamin Courtney. It is an honor to submit this written testimony and I am happy to answer any questions.

Sincerely,

Erin Edelen Kutter
