RE: Ballot Measure 110

My name is Jamaica Imani-Nelson, Executive Director for Holistic Healing Behavioral Healthcare, a culturally specific integrated behavior healthcare agency which will be significantly impacted by Ballot Measure 110.

KEY POINTS:

1. Impact on people of color
2. Criticalness of tracking with timeline implementation
3. Addiction being deemed a "criminal" issue versus a "health" issue.

Sincerely,

Jamaica Imani-Nelson, Executive Director
