

I write to you today in strong support of HB 2372.

SB 608, passed in 2019, eliminated many no cause evictions, but it left too many exceptions. Evictions are a traumatizing and destabilizing event, especially when the eviction is without cause. Tenants covered under HB 2372 deserve the same protections and housing stability that other tenants benefit from.

As a tenant myself, I urge you to move HB 2372 forward with a do-pass recommendation.
