

SUBCOMMITTEE RECOMMENDATION

Department of Land Conservation and Development Regional Housing Needs Analysis Planning Incorporation

To: Ways and Means Full Committee
From: Natural Resources Subcommittee
Carrier: Senator Anderson

On February 2, the Natural Resources Subcommittee recommended acknowledging receipt of a report from the Department of Land Conservation and Development on efforts to develop a legislative proposal for incorporation of a regional housing needs analysis into future state and local planning processes.

The budget report for HB 5006 (2021) included a budget note requiring the Department, in consultation with the Housing and Community Services Department, to provide an initial report on its progress to develop a legislative proposal. The initial report provides details on the policy development process, including efforts of a working group and statewide engagement process. A final report is due no later than December 31, 2022.

The Natural Resources Subcommittee recommends approval.
