**Analysis:**

House Bill 4154 makes a one-time appropriation of \$400,000 General Fund to the Department of Administrative Services (DAS) in the 2021-23 biennium for distribution to the La Grande/Union County Airport to expand the airport's fuel farm capacity. The measure takes effect on passage.

Although the measure is anticipated to have only a minimal impact on DAS' operations, the measure nevertheless warrants a subsequent referral to the Joint Committee on Ways and Means for consideration of its impact to DAS' budget and the state General Fund.
