

SUBCOMMITTEE RECOMMENDATION

Department of Transportation Commercial Driver's License Compliance and Reporting

To: Ways and Means Full Committee
From: Transportation and Economic Development Subcommittee
Carrier: Representative Gomberg

On February 10, the Transportation and Economic Development Subcommittee recommended approval of the submission of a federal grant application from the Department of Transportation to the Federal Motor Carrier Safety Administration in the amount of \$294,000 to improve compliance and reporting regarding federal commercial driver license regulations.

The grant would provide resources to help ODOT improve its monitoring and reporting of commercial driver safety issues, and outreach and education to courts regarding safety requirements for commercial driver's license holders. The grant is due February 28, 2022. No matching funds are required and ODOT is unlikely to require additional expenditure limitation or staffing resources.

The Transportation and Economic Development Subcommittee recommends approval.
