

SUBCOMMITTEE RECOMMENDATION

HB 4074 Relating to Cannabis

To: Ways and Means Full Committee
From: Transportation and Economic Development Subcommittee
Carrier: Senator Hansell

HB 4074 requires reporting of human trafficking by workers of marijuana licensees, specifies Department of Agriculture testing requirements, and specifies that state and law enforcement personnel are authorized to enter a property when there's a suspected violation. The measure modifies eligibility for grants from the Illegal Marijuana Market Enforcement Grant program, allowing community-based organizations to receive funding to respond to humanitarian crises stemming from illegal marijuana operations.

The Subcommittee recommended adoption of -A13 amendment, which provides a one-time General Fund appropriation of \$6 million into the Illegal Marijuana Enforcement Grant Fund, and gives the OLCC and the Criminal Justice Commission expenditure limitation and position authority to administer the provisions bill.

The Transportation and Economic Development Subcommittee recommends HB 4074 be amended by the -A13 amendment and be reported out do pass, as amended.
