Analysis: This measure expands and establishes programs within the Higher Education Coordinating Commission (HECC) for the purposes of workforce development and directs the Oregon Department of Education (ODE), Youth Development Division (YDD) to make grants to support youth workforce programs. YDD is responsible for reviewing the performance of the grants in collaboration with HECC and the State Workforce Talent Development Board. The measure directs the Bureau of Labor and Industries (BOLI) to establish and administer a grant program to provide financial support for the development, expansion and implementation of registered apprenticeship and pre-apprenticeship training programs in health care and manufacturing, and for the development and implementation of pre-apprenticeship training programs.

Oregon Department of Education

The measure appropriates \$3.5 million General Fund and \$7 million Other Funds from the American Rescue Plan Act (ARPA) to ODE to make grants to support youth workforce programs. ODE anticipates needing one limited duration Operations and Policy Analyst (0.63 FTE) to provide oversight of the grant program. In addition, ODE anticipates using the General Fund appropriation to establish the program and then using the ARPA funds to continue the grant program.

Bureau of Labor and Industries

The measure appropriates \$1.1 million ARPA funds and \$18.9 General Funds for the purposes of the measure. BOLI anticipates needing three permanent full-time Operations and Policy Analyst 4 (1.89 FTE) to focus on the development and management of the manufacturing, health care, and non-construction apprenticeship programs. One limited duration Operations and Policy Analyst 3 (0.63 FTE) to administer the competitive grant program. One limited duration Principal Executive Manager D (0.63 FTE) to direct the grant program, manage workload, budget management, program evaluation, and establish program objectives and goals. Two limited duration Project Analyst 3 positions (1.26 FTE) to serve as program administrators, implement new grant application criteria and award distribution process. One limited duration Fiscal Analyst 2 position (0.63 FTE) to manage General Fund and ARPA funds. One limited duration Operations and Policy Analyst 2 (0.63 FTE) to develop procedures and evaluations for program grantees and process and evaluate outcome data.

Higher Education Coordinating Commission

The measure appropriates \$52.4 million General Fund and \$115 million in ARPA funds to administer the programs outlined in this bill. HECC anticipates 27 positions (17.01 FTE) to carry out the provisions of the bill. In addition to program and policy analysts, HECC will also need additional human resource analysts, information systems specialists, procurement and contract specialists, accounting technicians, and fiscal analysts and research analysts to help the agency administer the new grant programs established by the bill. Assuming the continuation

of the Career Pathways and Industry Consortia programs, the fiscal impact for 2023-25 is estimated at \$11.1 million, 4 positions (4.00 FTE).

Department of Human Services

The measure directs the Department of Human Services (DHS) to incorporate the Prosperity 10,000 Program into the statewide plan for the SNAP Employment and Training Program; seek federal reimbursement for 50% of the program’s eligible costs; and refer SNAP enrollees to the Prosperity 10,000 program for career coaching, occupational training, and job placement services, wraparound supports and services, paid work experiences, and targeted recruitment and engagement. DHS is also required to distribute funds to local workforce development boards, compile data from the workforce development boards, and submit an annual report to the Legislative Assembly related to workforce development no later than December 31 of each calendar year.

In 2021-23, DHS estimates a need for \$2.3 million total funds and 16 positions (9.74 FTE) to implement and manage the program. This includes one Operations and Policy Analyst 2 position; four Operations and Policy Analyst 3 positions; one full-time, limited duration Procurement and Contract Specialist 3 position; and, 10 full-time, limited-duration Human Services Case Manager positions to manage referrals and serve as a one-stop center to advise and assist individuals to access workforce programs and benefits.

Oregon Health Authority

The measure directs the Oregon Health Authority (OHA) for provide support for the Health Care Workforce Committee (HCWF). OHA will need one Operations and Policy Analyst 3 position (0.63 FTE) to provide policy and program expertise in support of the HCWF.

The Oregon Employment Department anticipates a minimal fiscal impact and any additional duties can be absorbed with existing resources.
