To: Ways and Means Full Committee
From: Capital Construction Subcommittee
Carrier: Representative Sanchez

HB 4156 is a non-appropriation measure that makes necessary changes in statutes and session law to support adjustments to the 2021-23 legislatively approved budget, to clarify the application of statutes for the budget, and modify provisions relating to the use of funds.

The measure as amended modifies the sources of funding for the Broadband Fund, creates the State Forestry Department Cash Flow Repayment Fund, changes the qualified recipients for grants from the Local Disaster Loan and Grant Account, and clarifies reporting requirements for the Eastern Oregon Border Economic Development Board.

The measure has an emergency clause and is effective on passage.

The Capital Construction Subcommittee recommends HB 4156 be amended by the –3 amendment and be reported out do pass, as amended.
