

SB 1524 A -A20, -A21, -A22, -A23 STAFF MEASURE SUMMARY

House Committee On Revenue

Prepared By: Kyle Easton, Economist

Meeting Dates: 3/1, 3/2

WHAT THE MEASURE DOES:

Increases expense reimbursement percentage allowed to single film or single local media production project from Oregon Production Investment Fund (OPIF). Applies to fiscal years beginning on or after July 1, 2022. Expands availability of rural medical provider income tax credit to include certified medical laboratory scientists & technicians that are employed at least 50 miles from a major population center. Applies to tax years beginning on or after January 1, 2022. Requires Department of Revenue to require estimated payments for Business Alternative Income Tax (BAIT). Requires Department of Revenue to adopt rules relating to BAIT when pass-through entity or its members have made sufficient estimated payments. Specifies federally deducted BAIT to be an addition on member's income tax return. Applies to tax years beginning on or after January 1, 2022. Makes administrative technical changes to accommodate businesses filing Corporate Activity Tax (CAT) returns using a fiscal year that differs from the calendar year. Exempts from CAT, amounts received by an eligible pharmacy in receipt for sale of prescription drugs. Defines eligible pharmacy as a pharmacy that has nine or fewer locations under common ownership in Oregon and is not a pharmacy that caters primarily to veterinary customers. Increases limit on Multistate Tax Compact revolving account, from \$150,000 to \$250,000. Modifies income qualification limitation of permissive property tax exemption available to newly constructed housing in rural counties and specifies applicability of new income qualifications. Extends sunset of Gain Share distributions from July 15, 2024 to July 15, 2030.

ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

-A20 Eliminates expansion of rural medical provider tax credit. Eliminate extension of Gain Share distributions from July 15, 2024 to July 15, 2025. Allows eligible personal income or corporate income taxpayer to elect to use a three-year net operating loss carryback. Defines eligible taxpayer as a taxpayer primarily doing business in 2017 North American Industry Classification System code 111 (crop production) or code 112 (animal production and aquaculture). Requires Oregon addition and subtraction from taxable income as necessary for aligning with taxpayer's federal taxable income. Makes changes to net operating loss carryback applicable to tax years 2023 through 2028, and only if House Bill 4002 (2022) becomes law before January 1, 2023.

-A21 Allows city to impose tax on the sale of marijuana items in amount up to ten percent if the city is located in a county with a population exceeding 30,000 and that is bordered by a neighboring state that prohibits the sale of marijuana. Applies to marijuana items produced, processed, or sold on or after January 1, 2023.

-A22 Eliminates expansion of rural medical provider tax credit. Extends sunset of Gain Share distributions from July 15, 2024 to July 15, 2025. Allows eligible personal income or corporate income taxpayer to elect to use a three-year net operating loss carryback. Defines eligible taxpayer as a taxpayer primarily doing business in 2017 North American Industry Classification System code 111 (crop production) or code 112 (animal production and aquaculture). Requires Oregon addition and subtraction from taxable income as necessary for aligning with taxpayer's federal taxable income. Makes changes to net operating loss carryback applicable to tax years 2023 through 2028, and only if House Bill 4002 (2022) becomes law before January 1, 2023. Allows city to impose tax on the sale of marijuana items in amount up to ten percent if the city is located in a county with a population

exceeding 30,000 and that is bordered by a neighboring state that prohibits the sale of marijuana. Applies to marijuana items produced, processed, or sold on or after January 1, 2023.

-A23 Eliminates expansion of rural medical provider tax credit. Allows eligible personal income or corporate income taxpayer to elect to use a three-year net operating loss carryback. Defines eligible taxpayer as a taxpayer primarily doing business in 2017 North American Industry Classification System code 111 (crop production) or code 112 (animal production and aquaculture). Requires Oregon addition and subtraction from taxable income as necessary for aligning with taxpayer's federal taxable income. Makes changes to net operating loss carryback applicable to tax years 2023 through 2028, and only if House Bill 4002 (2022) becomes law before January 1, 2023.

BACKGROUND:

Measure is an omnibus measure that makes multiple modifications to various tax expenditures and tax programs. Tax expenditures being modified are: film and video income tax credit, rural medical provider income tax credit, and property tax exemption for new housing in rural counties. Other taxes being modified include Oregon's Business Alternative Income Tax and Corporate Activity Tax. Measure increases limit on Multistate Tax Compact revolving account limit reflective of cost associated with Oregon's participation in the compact. Measure extends sunset of Gain Share distributions from July 15, 2024 to July 15, 2030.
