### SUMMARY

Requires Oregon Business Development Department to conduct pilot program with three jurisdictions within this state to study and make recommendations concerning administrative processes and procedures used in approving residential construction projects. Specifies minimum criteria for choosing pilot program participants. Requires department to submit report to interim committee of Legislative Assembly related to housing not later than September 1, 2022.

Specifies that substantial completion for code requirements in residential subdivision includes requirements for roads and off-site water and sewage disposal capacity and that substantial completion does not require recording plat of subdivision.

Requires local government to assign, if necessary, temporary addresses to lots in residential subdivision.

Declares emergency, effective on passage.
