### SUMMARY

Requires insurer and health care service contractor to cover labor and delivery services provided at out-of-network health care facility if services provided at out-of-network facility due solely to diversion of patient from in-network health care facility for reasons related to state or federal declaration of public health emergency. Prescribes rate of reimbursement and prohibits deductible, out-of-pocket maximum, copayment or coinsurance requirement in excess of such requirements applicable to in-network providers. Exempts Public Employees' Benefit Board and Oregon Educators Benefit Board.

Requires health benefit plan coverage of emergency medical services transport of pregnant woman presenting with signs of labor between medical facilities.

Declares emergency, effective on passage.
