Prepared by: Cameron D. Miles
Date: 2/25/2022

SUMMARY

Requires insurer and health care service contractor to cover labor and delivery services provided at out-of-network health care facility, and medical transport of individual presenting with signs of labor from in-network facility to out-of-network facility, if services provided at out-of-network facility due solely to diversion of patient from in-network health care facility for reasons related to state or federal declaration of public health emergency. Prescribes rate of reimbursement and prohibits deductible, out-of-pocket maximum, copayment or coinsurance requirement in excess of such requirements applicable to in-network providers. Exempts Public Employees' Benefit Board and Oregon Educators Benefit Board.

Declares emergency, effective on passage.
