

Submitter: Chris O'Neill

On Behalf Of:

Committee: House Committee On Education

Measure: HB4124

TO: Members of the House Education Committee

I'm writing in support of HB 4124. You have the power to increase transparency of standardized testing—the focus of HB 4124. The value and impact of standardized testing has been an on-going question for many years. As a taxpayer and long-time school revenue supporter, I would like to have the facts regarding current practice when considering practices in my local school district.

Thank you for referring the bill to the House floor.

Sincerely

Chris O'Neill
