Committee: House Committee On Revenue

Measure: HB4115

Please support HB 4115. This bill will give Oregonians a tool to ensure our state is investing in ways that match our state's needs and values. The public needs to know the exposure of the state investments to climate risks in order to address those risks. Accountability is where that assessment begins. The Legislature needs to mandate a permanent standard of transparency with an annual accounting of all assets managed by the Treasury.
