

Submitter: Janet Hamada

On Behalf Of:

Committee: Senate Committee On Veterans and Emergency Preparedness

Measure: SB1509

Dear Senate Committee,

I am writing in strong support of Oregon SB1509. As a descendent of a WWII Nisei Veteran who gave his life in support of our country and as a resident of Hood River County, I would love to drive on a newly named OR Rt 35 in honor of these brave veterans.

Thank you for your consideration of my testimony.
