Re: YES ON HB 4006, I'm a Patient and support my ND

Dear House Health Care Committee,

My name is Andrea Murphy. I am a patient of a Naturopathic Doctor. I would like to share my experience working with this medical provider, and ask you to support HB4006.

I have seen over 20 Drs and specialists over the last 6 1/2 years. My insurance has paid lots of money for me to see these people. None of them have helped me find relief from my medical issues except for the naturopath I've been seeing for the last two years. My insurance could have paid much less had they offered a fair amount toward naturopathy.

I am asking you to please vote yes on HB4006 and ensure fair access to licensed Naturopathic Doctors.

Sincerely yours,
Andrea Murphy
