

Submitter: Julie Thies

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1521

I oppose this bill because the District Voters are in control of the school, AND those who get elected to the school board who are trusted with the duty of hiring and firing the District's Superintendent as the PARENTS and VOTERS see fit. The School Board serves as a voice for and act in accordance with the district parents and voters This bill is backwards!! WE NEED LOCAL CONTROL.
