

Submitter: Cheryl Conway

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire Recovery

Measure: SB1533

Dear Committee Members,

I hope it was an inadvertent error to have not included Indian tribes in the original SB762 from the 2021 session. As we move toward more just environmental policies, we can no longer exclude indigenous populations or any other marginalized communities. Please pass SB1533.

Thank you all for the work you are doing.
