

Submitter: Mary Onstott

On Behalf Of:

Committee: Senate Committee On Veterans and Emergency Preparedness

Measure: SB1509

Many men and women who served in the military are not yet recognized for the sacrifices they have made for our country. The Americans of Japanese descent who lived in the Hood River Valley and served with honor. They continued to do their best for the communities to which they returned. I grew up in Odell, Oregon. I witnessed their dedication to their communities first hand. They served overseas and at home. Please create this Highway of remembrance.
