Committee: House Committee On Veterans and Emergency Management

Measure: HB4066

Veterans who have been deemed "100% Permanent and Total" (100% P&T) have given the best of themselves in service to our country. In most cases this means they are later unable to meet the potential of the lives they might have lived. It is only fitting that, after reaching the age of 65, that their property taxes be forgiven. It's the least we can do to honor their incredible sacrifices for our nation.
