

Submitter: Karen Spurlin  
On Behalf Of:  
Committee: Senate Committee On Education  
Measure: SB1521

I STRONGLY oppose SB 1521 and you should too.  
Why is the legislature even hearing this and why has not a single representative offered to sponsor this bill? The school boards are elected to chose who runs the schools and there is no reason to take this from them. I urge you to vote NO on this bill.
