

Submitter: Cheryl Conway
On Behalf Of:
Committee: House Committee On Health Care
Measure: HB4052

Dear Committee Members,

Institutionalized racism cannot be undone in a single step, as so many who gave testimony have pointed out. Mobile health units will be an important step, though. This program has so much potential to improve the lives of people in marginalized communities. I support HB4052 and hope you all do as well.

Thank you,
Cheryl Conway
