

Submitter: Thomas Brown
On Behalf Of:
Committee: House Committee On Revenue
Measure: HB4115

Climate Crisis is creating momentous challenges for Oregonians: in Eugene and Lane County. We have experienced an unprecedented climate-induced heatwave and Wildfires in the past several years. I am a 2 time Cancer Survivor and the heavy Smoke has caused me considerable problems. All in all, the Deteriorating is making the Quality of Life worse and worse.

How is our money contributing to this crisis? We don't know. The Treasury only shares about half of their investment holdings on an annual basis on the Oregon Investment Council (OIC) website. It took the Divest Oregon coalition 4 months of public records requests and public pressure to get all the holdings. It should be easier. This Treasury Transparency Bill (HB4115) will shine a light on the holdings of the Oregon Treasury, which manages \$130 billion of our money.

Please pass HB-4115 and help Oregonians Breath easier.

Thank you,
Thomas Brown
