

Submitter: Jenn Woodward

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1521

The school super intendent's work for the public, not for the government! If the public is not satisfied with their job performance, it is our right to vote/recall them from their position. It is NOT ODE's place to protect their position for further the democratic educational platform currently in place for Oregonians. STOP THIS BILL TODAY.
