

Submitter: Renee Perry
On Behalf Of: Trudi McDonough Parent of RN
Committee: House Committee On Judiciary
Measure: HB4142

Good afternoon

My name is Trudi McDonough and I am writing in support of your proposed amendment making it a felony to assault a health care worker. My daughter is a R.N. At Salem Health and has worked through the pandemic. Challenging times for sure, these folks deserve this protection.

Thanks,

Trudi McDonough
