On Behalf Of: Mr Oregon OPPOSES SB1519
Committee: Senate Committee On Energy and Environment
Measure: SB1519

02.03.22

SB 1519

I OPPOSE SB 1519 for it is poorly written and confers property tax benefits to a selected group of property owners.

SB 1519 could (and will) create multiple problems in rural areas of Oregon associated with residential development.
