

Submitter: Linda Itami

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1521

This must not pass. Our tax dollars go to the schools. The taxpayers elect these Boards and no Government Agency has the right to fire them because they don't go along with your Agenda. Let them do their jobs and you do yours. You work for us, not the other way around. For far too long parents are being silenced. Do we still live in America?
