

Submitter: Janet Bailey  
On Behalf Of: Tax paying Citizen  
Committee: Senate Committee On Education  
Measure: SB1521

I strongly urge you to vote NO on SB 1521. School Board Members in Oregon have been voted into their positions by a popular vote from their community. If a Superintendent is not abiding by the School Board majority vote on School Board issues and continues to refuse to cooperate or refuses to enforce the School Board majority vote, the School Board Members have every authority to terminate the Superintendent. VOTE NO ON SB 1521.
