

Submitter: Mariko Kershaw

On Behalf Of:

Committee: House Committee On Revenue

Measure: HB4115

I'm a PERS member and care how my retirement savings are being invested. These investment holdings are PUBLIC INFORMATION and should be treated as such. The Treasury is in possession of the data and should provide them once a year.

This bill will give Oregonians a tool to ensure our state is investing in ways that match our state's needs and values – from the climate to human rights to the energy transition.
