

Submitter: Sarah Palmer  
On Behalf Of:  
Committee: Senate Committee On Education  
Measure: SB1521

Many in the State of Oregon, myself among them, have witnessed an aggressive attempt to subvert the power of parents and the people of Oregon to have a voice into our children's education. The State has gone too far and has overreached its prescribed purpose. By submitting this Bill, the Department of Education is attempting to nullify the peoples' rightful power to discharge and fire incompetent, politically fringe, disloyal and divisive officials who refuse to act in accordance with the desires of the parents and citizens of Oregon. We the People of Oregon dispute your tactics and strategies to overturn our rights and take away our voice in an effort to silence us.
