

Submitter: Cathy Parsons
On Behalf Of: A concerned Oregonian
Committee: House Committee On Human Services
Measure: HB4079

This would hurt Oregonians that are already trying to keep their heads above water. These are not luxury items, there are items that are work related so keeping a job will cost them more. Encourage the workforce not hinder it by another financial hardship. Look out for all Oregonians, we can't take much more.
