Committee: Senate Committee On Judiciary and Ballot Measure 110
Implementation

Measure: SB1541

We (Oregon voters) passed measure 110. Measure 110 will reduce policing burden as addicts are provided rehab services. Please do not repurpose any portion of this funding that we voted for. This short-term patch for more policing (SB-1514) will exacerbate the long-term issue, costing Oregon more in the long run.

Sincerely,
David Knierim
