

Submitter: Ravinder Waraich

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB4152

Chairman Holley, vice chairs and the members of the committee

My name is Ravinder

I am testifying in support of HB2946

Just as we would do with our classmates and friends, we build relationships at work through transparency and this bill will allow us to have a transparent relationship with our franchisor. It will also help us be profitable so we can take care of our local communities and employees better and level the playing field.

I am hoping this bill turns into law and protects me and others as local small business owners in Oregon.

Thank you for your service.

Ravinder
