Dear Chair Holvey and Members of the House Business and Labor Committee,

I am writing to you today in support of farmworker overtime. Farmworkers work rigorously to feed Oregon and are being exploited by taking advantage of their current situation.

Farmworkers deserve equal treatment and the same quality of life as any other worker. They are doing important, hard, and dangerous work in one of the largest sectors of our state economy, and they are essential in feeding families across Oregon. Yet farmworkers are denied the same overtime pay that other workers in Oregon receive.

It is time for Oregon to join several other states in ending this practice that is a form of exploitation and excludes agricultural workers from overtime pay.

Farmworkers should receive overtime pay after 40 hours in a workweek at one and one-half times the employee's regular rate of pay. I urge you to pass farmworker overtime in the 2022 Legislative Session to ensure farmworkers in Oregon are paid fairly for their skilled and essential labor.

Sincerely,
Marlen Ruelas
