Dear Chair Prozanski, Vice-Chair Thatcher, and members of the Senate Committee On Judiciary and Ballot Measure 110 Implementation,

My name is Julia Mines; I'm the Executive Director of the Miracles Club and am a person in long-term recovery. I'm submitting this written testimony in opposition to SB 1541.

The Miracles Club was founded in 1993 by three men in recovery who sought to create a safe and sober environment to sustain the African American Community. Our community recovery center offers addiction peer services to the African American Community, a fellowship hall, events and meeting space for community recovery meetings. We also offer a wide variety of program services with a focus on the African American recovery community. We provide transitional, temporary and permanent housing in alcohol and drug free living environments for individuals in recovery. We
