

Submitter: Carlee Curtin

On Behalf Of:

Committee: House Committee On Economic Recovery and Prosperity

Measure: HB4016

Please do not cut funding to Measure 110. So many have been helped and so many more will be. This is an epidemic and Oregon has bravely ventured into uncharted territory to challenge the previously failed systems. The whole country is watching. Many of us emergency room workers that care for the increasing number of patient's with addiction disorder are finally working with more hope than ever. Please consider these points in your decision.
