Measure: HB4079

I urge a NO vote on HB 4079. Oregonian's do not need another tax. We pay high property tax. We have a state income tax. A CAT tax. And the list goes on. While Oregonian's struggle to get on their feet, polititians are working to take more. ENOUGH! Oregon has a money management issue, which is very evident over the last couple decades. I urge a NO vote on this bill.
