On Behalf  
Of:

Committee: Senate Committee On Judiciary and Ballot Measure 110  
Implementation

Measure: SB1541

In no place does it say that law enforcement gets more money as a result of this bill. I would not have voted for this if it had. The people spoke. Just because one legislator in Bend decided that he wants that money to go elsewhere doesn't change anything.

Use the money for it's intended purpose only. If the police want more money, they can sponsor their own bill and let the people decide.
